# NEWS

**Dear Branded Academy Customer,**

Please let me take this opportunity to introduce myself as the newly appointed Customer Account Representative for V1. I will be focused on Branded Academy clients and will act as your Academy Specialist. It is my mission to make sure that you are experiencing the full benefit and functionality that you have at your fingertips.

We value your business and thank you for being a V1 customer. As an initiative to grow a business relationship that will benefit both of us, I will be contacting you over the coming weeks in order to gain an understanding about your company. That information will enable me to provide you with better service and support. We could also use that time to answer any questions you may have or review the functionality and benefits of Branded Academy and what it means for you and your business.

I am looking forward to working with you and helping you grow your business through V1 and Branded Academy.

**Sincerely,**

*Kelly Watson*
